TERMS AND CONDITIONS OF SALE

By submitting bids in this auction, whether it be by telephone, fax, email, mail or any other method, you agree to the Terms and Conditions of Sale as follows:

1. **This is a Live Auction with an additional Mail Bid Only Section. Absentee Bids for the Live Auction accepted until Wednesday, Sept. 11, 2002 by 6 pm PST. Bids for the Mail Bid Only Section will be accepted until Friday, Sept. 13 at 5 pm PST, no exceptions.** The Live Auction will be held at 3555 Airway Dr., #308, Reno, Nevada on Sept. 13, 2002 starting at 10 am. Material for the sale may be previewed Thursday, Sept. 12, 2002 from 5 to 9 pm or by appointment prior to this.
2. **Absentee Bidding.** You may bid on items in the sale in the regular manner by mail, email, online bid sheet, fax or phone. You will receive a bidder number after placing bids. Absentee bids accepted as outlined in line item #1 above. After that time, only live bids from the floor or by pre-arranged telephone calls during the live auction will be accepted for the Live Auction section only. If you wish to use an agent, a list of reputable dealers will be provided, or you may use one of your fellow collectors. We will mail, fax or email bid confirmations. **It is your responsibility to get absentee bids in early so we receive them by the dates outlined in line item #1 above.** It is your responsibility to submit all lot numbers and bid amounts accurately. Absentee bids should be equal to at least half the low estimate. Absentee bids less than 50% of the low estimate may be considered inappropriate and may not be entered. **If you do not receive a confirmation before the auction, it is your responsibility to call us to make sure that we received your bids.**
3. **Floor Bidding.** If possible, please arrive a few minutes early to check in and receive your bidding paddle. We will open lots with more than one bid at the second highest absentee bid or half the low estimate at the auctioneer's discretion. Items with only one absentee bid will open at no less than half the low estimate. Items with no absentee bids will be opened at half the low estimate or possibly lower, at the auctioneer's discretion. Please be sure to bid on the correct lots during the live auction. Our auctions progress at a rate of between 150 and 240 lots per hour. When the auctioneer says "sold", he will identify the successful bidder by number and announce the winning bid amount. If you are not sure if you won the lot or not, it is your responsibility to ask for clarification immediately. Tie bids are awarded to the lowest bidder number when not advanced on the floor. We will have four phone lines available during the auction.
4. **Telephone Bidding. We highly advise you to call in advance to schedule telephone bidding.** If you do not schedule in advance, and choose instead to call on the day of the auction to request a line for bidding, you may find that all of the lines are taken or we cannot accommodate your request. To ensure that you get a phone line, please call ahead. Please limit your telephone bids to items of value greater than \$200, or a string of items with a similar total.
5. **Bid Reduction.** All winning absentee bids will be reduced to the next bidding increment, unless the bid is at or less than 50% of the low estimate. For example, if you submit an absentee bid of \$1000 on a lot estimated at \$200, and the next highest bid, whether on the floor or absentee is \$250, then you will win the lot for \$275.
6. **Bid Increments.** Absentee bids must be submitted in the appropriate increments as outlined below. **IF** you choose to submit bids in an increment not listed below, your bid will be rounded either up or down to the nearest increment and you will be expected to pay the amount to which the bid was rounded should your bid be the winning bid. \$5.00 is the lowest acceptable absentee bid, unless the estimate is less than that. (The auctioneer reserves the right to open any lot on the floor at \$5.00 or less if the item has not received any absentee bids.) If you have any questions about an appropriate bid amount, please call us. The bidding increments are as follows:

| | |
|------------------------------|-----------------------------------|
| Under \$100, \$5 increments | \$500 - \$1450, \$50 increments |
| \$100-\$190, \$10 increments | \$1500 - \$3400, \$100 increments |
| \$200-\$475, \$25 increments | \$3500 - \$7750, \$250 increments |
| | \$10,000 and up, \$500 increments |
7. **Bid Caps and Either/Or Bids.** If scheduled well in advance of the sale, we MAY accommodate Bid Caps, whereby we will stop bidding for you if your successful bid total reaches your stated maximum. This process requires a live person to represent you during the sale, so please request this option only if absolutely necessary. If duplicate or similar lots are listed in the auction catalog and you would like to be successful on one item, but not both or all of them, you may request that we submit an Either/Or bid for you whereby if you are successful on one, we will withdraw subsequent bids.
8. **Bid Information.** Collectors often ask in advance the price level of a particular lot. We will give out the second high bid until we close on Wednesday, Sept. 11, 2002, 6 p.m. PST. This protects the high bidder. We will not give out second high bids after this time, although if you missed our bidding deadline, you may ask if you can still submit bids without receiving Bid Information. Our client list and all underbidder information is proprietary information. Please do not request this information.
9. **Bid Cancellation.** If you wish to cancel a bid after you have submitted your bids to us. You **MUST** call us to advise us of this. No bid cancellations through mail, email or fax are acceptable.
10. **Buyers Premium.** There will be a 15% buyers premium added to each lot.
11. **Return Policy.** You may return any piece that was significantly inaccurately described within one week of receipt of item(s). We do not refund postage or insurance. We have attempted to describe condition accurately. If no condition is given, assume average. When we receive your bids we will assume you have read the description in the catalog and have contacted us regarding any questions you may have on any lot. Please call us if you require a more specific condition report.
12. **Payment & Lot Pick Up. Payment is due in full within 30 days of receipt of invoice.** Payment can be made to Fred Holabird Americana, 3555 Airway Dr., #308, Reno, NV 89511. We accept cash, personal checks, money orders etc. We also accept Master Card, VISA and American Express, but since this is a consignment sale, **we must add 3% for credit card purchases**, our average cost for credit card transactions. All returned checks are subject to a \$25 fee. Lot pick up will be available no sooner than Friday, August 2, 2002.
13. **Shipping. We do not ship any purchases until we receive payment in full.** An invoice will be sent to you as soon as auction results have been processed. Upon payment of the invoice, your package will be sent to you. In some circumstances, we MAY approve shipment of purchases with an invoice, but this must be arranged well in advance of the sale and will be based on client history with our company, approval of the consignor(s), and credit references furnished by buyer. We retain the right to deny this request for any reason. Please let us know if you have any special requirements for shipping packages as soon as possible. **If you do not give us a street address, we will ship your lot(s) to you via USPS, certified mail with return receipt, or registered with insurance, regardless of value, due to the high number of packages from our office that the postal service has lost in the past year. You may notify us that you don't want to pay for that service and by doing so, you will assume responsibility for the package if it doesn't get delivered to you, or is damaged in transit. All street addresses will be shipped via UPS with insurance and signature required.** Buyer will be charged for shipping based on actual shipping cost plus a reasonable time and materials fee based on the size and nature of the items purchased.
14. **Results. Please do not contact our office until at least four business days after the auction closes to request results.** Results will be mailed to all participants. Those wishing results without participation will be charged \$25 to help us offset the cost of printing the catalogs and results.
15. **Subscriptions.** Should you like receiving our catalogs, but do not expect to participate in our auctions, we offer a one-year subscription service for \$75, whereby you will receive all mailings regardless of your participation history.

PLEASE NOTE

- 1.) This catalog contains two different sections, both of which contain great material. The first section is the Live Auction section which will function in the usual manner of our catalogs. The second section is the Mail Bid Only Section which has a different absentee bid due date and a different date for results. Please see page 7 and page 125 for more information.
- 2.) Most of the tokens and other similar items in this catalog are illustrated on pages 99 to 124.
- 3.) In most cases these are in order from beginning to end. We have labeled each image with the lot number and name to (hopefully) make it easier to find each item in the catalog. (We welcome feedback on how well this system works for you.)
- 4.) In some instances tokens, medals, etc. are illustrated along side the description.
- 5.) We have indicated lots with no illustrations by making a notation after the estimate at the end of the lot.
- 6.) There are many cases where illustrations show only a portion of a lot. This may mean that if a lot contains 14 postcards, we only illustrated one or two. In regards to check sheets and larger items, we may have only illustrated a section of the piece. If an item is indeed incomplete or missing a substantial piece it will be noted in the description.
